

REMARKS

Status of the Claims

Applicant respectfully submits that the amendments and remarks presented herein put the claims in condition for allowance, and respectfully request reconsideration thereof.

Prior to this amendment, claims 1-31 were pending and had been examined.

Applicant has canceled claims 1-31 without prejudice and has added claims 32-56. Claims 32-56 thus remain in this application for further examination.

Obviousness-Type Double Patenting

Claims 1-31 stand provisionally rejected under the judicially created doctrine of obviousness-type double patenting over claims 1-3 and 8-46 of co-pending U.S. patent application no. 10/424,351.

Applicant has canceled claims 1-31, thereby obviating this rejection. Applicant thus requests reconsideration and withdrawal of this rejection.
